

## Precision Circuits & Assemblies LLC

Your Source For  
PCB, PCBA, CABLES & HARNESS ASSEMBLY

Committed to provide high quality product at a low cost along with incomparable service and timely delivery

PCB: Rigid, Rigid Flex, Flex and Metal Backed Printed Circuit Boards on wide range of substrates.

PCBA: Surface Mount Assembly (SMT), Through Hole Technology (THT), Ball Grid Array (BGA) Assembly and Inspection, Wire Harness and Cable Assembly.

Certifications: ISO:9001 certified, ISO:13485 for Medical Devices and TSI6949 for Automotive. UL approved and are RoHS Compliant.

PPAP (Pre-Production Approval Process) runs to full production.
